# Hours of Operation of ABC Establishments Proposal

- Eliminate restrictions on the hours of operation of ABC Establishments located within 100 feet of a single family residence
  - Maintain prohibition on hours of amplified sound outside if proximate to single family residential
    - ❑ No amplification after 10:00 PM, Sunday through Thursday
    - ❑ No amplification after 11:00 PM, Friday and Saturday
-

---

# Hours of Operation of ABC Establishments

## Background

- Hours regulated on a case by case basis
    - Prior to 2011
  - City Council directed that fixed standards be established as a result of citizen complaints about inconsistencies with the case by case approach
    - 2010
  - Ordinance restricting hours if within 100 feet of single family residential zoning adopted
    - September 2011
-

---

# Hours of Operation of ABC Establishments

## Background

- City Council directed modification to require proximity with a single family residence rather than zoning
    - March 2012
  - Ordinance restricting hours if within 100 feet of single family residential zoning adopted
    - June 2012
  - City Council directed modification to address on a case by case basis
    - July 2012
-
